

Hanover Holiday Baskets

The Hanover office took up donations for “Holiday Baskets” again this year. This organization provided us with names of children in need. We were able to sponsor 2 children that may not have gifts on Christmas. We provided them warm winter jackets, hats, mittens, boots, jeans, and several toys for our 3-year old and our 11-month old kids. Items were wrapped and given to the parents in time for Christmas. Thank you to everyone in the Hanover office who contributed their time and donations!
