Tax Deadlines

Dear GFC Client,

The IRS has released the following announcement for Vermont taxpayers. To summarize:

1. This applies to taxpayers (individuals and businesses) from Chittenden, Rutland, Washington, and Windsor counties only. The extension is for business returns due 09/15 AND individual returns due 10/15. These returns are now due 10/31.
2. This includes estimated tax payments due 09/15.
3. There is nothing to put on these returns, the extension is automatic. If a penalty is assessed, there is a phone number to call to have the penalty abated.

For more details, please contact your GFC advisor either at (802) 863-1331 in South Burlington, VT or at (603) 643-0043 in Hanover, NH with any questions.
